GOVERNOR

DATE: February 7, 2006
TO: Interested Parties
FROM: Margaret M. Ropp, Director
SUBJECT: Appointment of New Student Data Development and Support Manager

I am pleased to announce that Trina Anderson has accepted the student data development and support manager position for the Center for Educational Performance and Information (CEPI), effective February 13, 2006.

Trina joins us with more than five years of experience in the information technology field of state government. In her positions with the Bureau of Strategic Policy, Department of Information Technology, and Office of IT Solutions, Department of Management and Budget, Trina has played key roles in the areas of strategic planning, organizational change, governance, research, and enterprise standards development. Prior to her employment with the state, Trina was marketing services manager at The Christman Company.

Trina holds a Master's Certificate in Information Technology Project Management from George Washington University. She also has a Master of Arts degree in Information Technology and Services Management, as well as a Bachelor of Arts degree in American Public Affairs from Michigan State University.
